

Cadence Chemical Product Line Card

Acids	Solvents	Methacrylates
3-Mercaptopropionic Acid (3MPA)	Acetonitrile	Allyl Methacrylate (AMA)
Acetic Acid*	2,4-Pentanedione*	Cyclohexyl Methacrylate (CHMA)*
Glacial Acrylic Acid (GAA)*	Dimethylacetamide (DMA)*	Diethylaminoethyl Methacrylate (DEAEMA)
Glyoxylic Acid 50%	Ethyl 3-Ethoxypropionate (EEP)	Glacial Methacrylic Acid (GMAA)*
Hydrofluoric Acid 49% (HFA)	Methanol*	Glycidyl Methacrylate (GMA)*
Levulinic Acid*	Mesitylene (1,3,5-Trimethylbenzene)	Hydroxyethyl Methacrylate (HEMA)*
Salicylic Acid	N-Methyl Pyrrolidone (NMP)	Hydroxypropyl Methacrylate (HPMA)*
Alcohols	Pseudocumene (1,2,4-Trimethylbenzene)	iso-Butyl Methacrylate (iBMA)*
2-Ethylhexanol (2EH)*	Ortho Esters	Methyl Methacrylate (MMA)*
Dipentaerythritol 85%*	Triethyl Orthoacetate (TEOA)	n-Butyl Methacrylate (nBMA)*
Glycerin*	Triethyl Orthoformate (TEOF)	Various
Neopentyl Glycol (flake and slurry)	Trimethyl Orthoacetate (TMOA)*	Acetyl Tributyl Citrate (ATBC)*
Pentaerythritol 98%	Trimethyl Orthoformate (TMOF)*	alpha-Methyl Styrene Dimer (NOFMER)
Acrylates	Persulfates	Aluminum Acetylacetonate (AAA)*
2-Ethylhexyl Acrylate (2EHA)*	Ammonium Persulfate*	Epichlorohydrin (GTE)*
Butyl Acrylate (BA)*	Potassium Persulfate*	Hydroxyethyl Cellulose (HEC)
Ethyl Acrylate (EA)*	Sodium Persulfate*	Meglumine
Hydroxyethyl Acrylate (HEA)*	Other Monomers	O/P Toluene Sulfonamide (OPTSA)
Hydroxypropyl Acrylate (HPA)*	Styrene*	Phosphorus Pentoxide (P2O5)*
Methyl Acrylate (MA)*	Vinyl Acetate Monomer (VAM)*	Silica Gel*
Anhydrides & Dianhydrides	Methacrylamide	Sodium Vinyl Sulfonate (SVS)*
Maleic Anhydride pastilles*	Vinyl Neodecanoate (Shivena 10)*	Tetrasodium Pyrophosphate (TSPP)*
Phthalic Anhydride flake		Zinc Acetate Dihydrate*
Pyromellitic Dianhydride (PMDA)		
Biphenyltetracarboxylic dianhydride (s-BPDA)

Cadence Chemical Corporation

ONE-STOP PRODUCTS SOURCING

Cadence Chemical dedicates itself to being a key link in our customer's supply chain, operating and managing business processes to our customer's satisfaction. Since our inception in 2004, we have achieved year-on-year growth in sales, operating and net profits, and absolute profit margins because our mission is to meet our customer's needs. Focusing on operational excellence and supply chain expertise, Cadence serves to:

- Develop custom solutions that ensure a high quality product is delivered at a competitive price
- Provide customers access to domestic and global sourcing through our dedicated supplier base
- Specialize in purchase, transport, including packaging and labelling, and storage at affiliated warehouses and bulk liquid storage terminals
- Reduce and eliminate inefficiencies in the supply chain by using inventory management, repackaging options, and creative logistics solutions
- Help customers succeed by leveraging their market knowledge through new product introductions; optimizing the product portfolio; and taking a disciplined approach to capital management
- Adapt and renew to meet and exceed the requirements of the market
- Evolve as the needs of the customer evolve

optimize your chemical supply chain

CORE VALUES

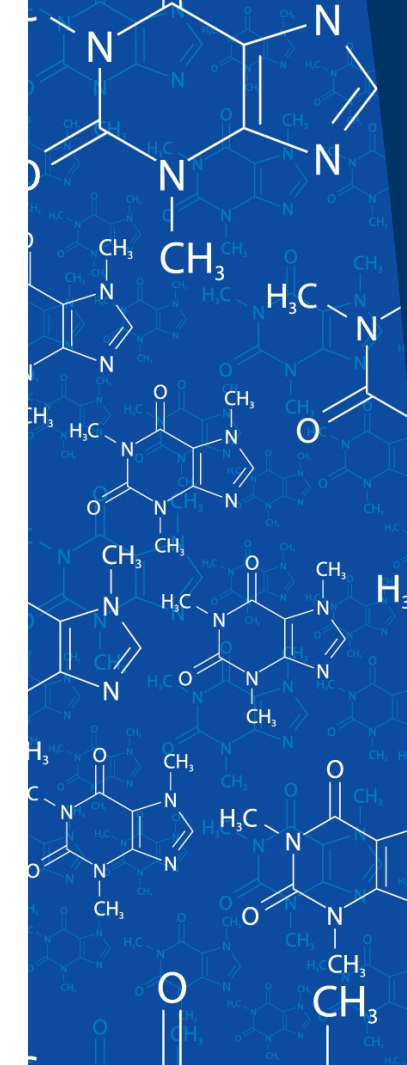

Quality—We cultivate close relationships with suppliers to support their quality systems and maintain thorough product stewardship procedures to ensure our customers receive the best quality products.

Safety—We are NACD certified and audited through the 5th cycle. We uphold the strictest standards of Responsible Distribution as well as compliance with environmental and transportation regulations. We are insured through ChemPlan for accident protection.

Integrity—We hold ourselves to the highest standard of integrity in all business transactions. We maintain long-term transparent relationships with manufacturers and customers, always striving to communicate openly, honestly, and frequently.

Market research and product development are key factors on which Cadence relies for the successful implementation of its growth strategy, and which serve three main objectives:

To contribute to Cadence Chemical's operational excellence by bringing innovations to the supply chain, enabling us to source and distribute chemical products safely, efficiently, competitively, and in a way that reduces our environmental footprint as far as possible.

To expand and develop the products we can supply to our customers by continuously growing existing markets and by systematically and prudently exploring new markets.

To anticipate technological and market changes to ensure that our customer's needs are served now and the years to come — that Cadence Chemical will continue to be viewed as a value-added, innovative and trusted supplier to our customers.
